Cents a Day!**

We announced this
new sales plan recently. Just to feel the pulse
of the people. Simply a small cash payment—
then 17 cents a day. That is this plan in a nut-
shell.

The result has been such a deluge of ap-
plications for machines that we are simply as-
tounded.

The demand comes from people of all classes
all ages, all occupations.

The majority of inquiries have come from peo-
ple of known financial standing who were at-
tracted by the novelty of the proposition. An
impressive demonstration of the immense popu-
larity of the Oliver Typewriter.

A startling confirmation of our belief that
the Era of Universal Typewriting is at hand.

**A Quarter of a Million People
are Making Money with**

**The OLIVER
Typewriter**

The Standard Visible Typewriter

The Oliver Typewriter is a money-maker,
right from the word "go!" So easy to run that
beginners soon get in the "expert" class. Even
as you learn. Let the machine pay the 17 cents
a day—and all above that is yours.

Wherever you are, there's work to be done
and money to be made by using the Oliver.
The business world is calling for Oliver opera-
tors. There are not enough to supply the de-
mand. Their salaries are considerably above
those of many classes of workers.

"An Oliver Typewriter in Every Home!"

That is our battle cry today. We have made
the Oliver supreme in usefulness and absolute-
ly indispensable in business. Now come, the
conquest of the home.

The simplicity and strength of the Oliver fit
it for family use. It is becoming an important
factor in the home training of young people.
An educator as well as a money maker.

Our new selling plan puts the Oliver on the
threshold of every home in America. Will you
close the door of your home or office on this re-
markable Oliver opportunity?

"Getting a husband by Adver-
tising," is an article in The House-
keeper for June, which proceeds to
tell just what it promises, and that is
the actual story of the working out
of proposals by correspondence in
answering advertisements. It is by
Mrs. Bessie Cooper Cundy who in-
vestigated several hundred cases.
The number also presents the begin-
ning of a new serial story by Emily
Ruth Calvin. "Bridal Thoughts"
(by Clara Morris), the famous ac-
tress, recounts some strange bridal
experiences. Another article en-
titled, "The New Sisterhood of Cap-
ital and Labor," by Mrs. Eva Mc-
Donald Valesh, vice-president of the
Woman's National Civic Federation,
is an intimate story of present con-
ditions and the attitude of several
wealthy New York women. There
are several good short stories and
many illustrated articles and depart-
ments devoted to the home. The
Housekeeper Corporation, Minne-
apolis, Minn. Seventy-five cents a
year.

All persons indebted to the es-
tate of Parke Jones, deceased, are
requested to settle same at once.

tate will present same to me for
